Frequently Asked Questions:

What if I don't see the sport I am interested in? If you don't see your sport above, that sport is coordinated through Towson Rec Council. Please contact Christy Luis cluisdms@gmail.com you're your questions.

Do I have to register now? We are recommending all Dumbarton students interested in participating in any sport **register prior to October 14th**.

Do I have to attach a completed physical signed by a doctor for my child to tryout for a sport? Yes, your child must attach a completed physical signed by a doctor to be cleared to tryout.

How will I know my child is cleared? Mrs. Shewell will review registrants and respond with a receipt email if your child is cleared or if a correction is required.

How long is my child's physical valid? 14 months. We recommend getting a new physical over the summer each year to ensure the physical is valid for the entire school year.

When is each season? Information will be shared in September at an athletics interest meeting on back-to-school night in the gymnasium. Please see below for estimated start dates.

Fall sports – Beginning of September.

Winter Sports– Beginning of November.

Spring Sports– Beginning of March.

When is practice? Tuesdays-Fridays 3:15pm- 4:45pm.

Are there team cuts during the tryout process? Unfortunately, we are limited to how many athletes we can keep on certain athletic teams. However, not every team will make cuts.

Still have questions?

Please contact Mrs. Shewell.
