

Registration for Computer Mania Day 2009 is now open!

You can register by going to <http://www.computer-mania.info/Registration.html>.

Please register in the appropriate category - Student, Adult, or Volunteer. To register, first sign up for a user account. Once you are able to log in, select Computer Mania Day 2009 as your event. Under the Home tab, select option 1 - Create or Change Registration. If your information ever needs to be changed, you may go back and edit your registration at any time by logging in and selecting Computer Mania Day 2009 as your event.

Don't forget to **PRINT YOUR REGISTRATION TICKET** (all participants) and **PARENTAL PHOTO RELEASE FORM** (students only).

If you encounter any problems during registration, please let us know by emailing info@mdwit.org.

We look forward to seeing you on October 31st - Tech or Treat!
